Dear Michell,

I am writing this letter to thank you and your colleagues in helping me through the past six months after the advent of Hurricane Irma hitting the Virgin Islands.

My buildings that my storage and office rental business operated from located in Road Town were badly damaged. With your help I was able to pass over the process on dealing with the insurance company with my claims for the buildings and loss of business to a satisfactory conclusion. This then enabled me to focus on rebuilding my property and business.

I hope in the future I will not have to deal with such a natural disaster, however if this situation arises again it is reassuring that there is a professional company like yours here to help.

Yours sincerely

Julian Smith  
Managing Director
