

5th Triennial Conference

Pathways to Peace: Evolving Trends in Dispute Resolution

Overview

The Conference focuses on the latest advancements, burning issues, strategies, societal impacts and evolving trends in Alternative Dispute Resolution (ADR) in the 21st Century. It aims to bring together practitioners, scholars, academics, policymakers, and private and public stakeholders to discuss and exchange ideas on the evolving landscape of ADR.

Topics include

- Construction Arbitration
- The Role of Courts in ADR
- Greener Arbitration
- Modern Trends in Arbitration
- ADR, Renewable Energy and Climate Justice
- ADR in Industrial Relations
- ADR and Insolvency
- ADR and State Conflicts
- Sports Disputes
- Singapore Convention
- Commercial Dispute Resolution
